

Housing Providers

There are approximately 840 social housing units in Lanark County and the Town of Smiths Falls. This number includes 532 public housing units, 200 non-profit housing units and 105 rent supplement units and other housing programs.

Housing units vary in size from one-bedroom apartments to five-bedroom townhouses. Some units are accessible for the physically disabled.

To apply for social housing, a common application form is available at any of the following housing sites:
