

Affordable Housing Tax Incentive Grant Program Information

The Affordable Housing Tax Incentive Grant 's (AHTIG) goal is to help increase the supply of affordable rental, cooperative, and supportive housing in Lanark County. The County will provide financial contributions to projects that create new affordable rental, cooperative, and supportive housing units. The AHTIG may provide funding to eligible applicants in the form of an annual operating grant issued at the commencement of the year, and upon completion of approved verification. The grant is equivalent to the County portion of property taxes for the number of units which meet the affordability criteria for a period of 15 years. For example, if 50% of the building units meet the affordability criteria, the County will provide an annual operating grant to the owner equivalent to 50% of the County portion of the property tax for a period up to 15 years.
